everything else can be hidden in the white unit below. The result is neat and uncluttered.

4 BASKET CASE

TV rooms naturally accumulate remotes, magazines, throws and toys. Use a large, attractive basket placed under a console table or TV unit as a receptacle so that the room can be tidied in seconds. Decor by The Private House Company.

5 SHELF LIFE

Take advantage of a recess or alcove and build in shelving to display ornaments. Add a wider surface to act as a desk and include drawers so that the laptop and paperwork can be hidden from view.
